The Standard of QualitySM

March 30, 2010

Dear Customer,

We recently discovered that the original USP Certificate for Lot P1I300 (posted on February 25, 2010) had a minor mistake in the Optional Two-Stage Test. Step 5 in the Optional Two-Stage Test should refer to Step 1, not Step 2. We believe you would have noticed this error when you followed the calculation example. Please disregard all Lot P1I300 USP Certificates with a date of February 22, 2010 in the footer.

The newer (corrected) USP Certificate for Lot P1I300 should have March 11, 2010 in the footer.

We apologize for any inconvenience or confusion.

Best Regards,
