

## SERVICE MANAGER (GREAT BRITAIN, IRELAND & THE NORDICS)

Customer-driven entrepreneur

### Challenge

SOTAX is an international leader in the development and manufacturing of equipment for the pharmaceutical industry - it is a global success story. The company maintains its competitive edge by excelling in flexibility, performance, quality and safety. In this new, interdisciplinary management role, you will strive for service excellence - you will leverage growth potential in a targeted manner and expand activities on other markets. By digitalising and professionalising services and optimising logistics, you will also increase profitability. As a high performer with sound professional expertise, you will inject momentum and dynamize stakeholder groups.
