

Certificate of Compliance

SOTAX AG, Binningerstrasse 106, 4123 Allschwil, Switzerland

– Applies to any SOTAX Products –

As manufacturer of pharmaceutical testing instruments and systems we certify that any products delivered from SOTAX are:

- Manufactured, assembled and tested

According to state-of-the-art technologies and fulfill our standards of quality.

Furthermore, we certify that any spare parts delivered are exclusively genuine parts and undergo the same process for quality control.

This applies to all our deliveries, to any customer, and without any exception.

All processes in use for:

- Procurement of material, outsourced items, manufacturing, assembly and final testing

Are applicable to any SOTAX products, managed and subject to the SOTAX Quality Management system, and are conform to ISO 9001-2008 (certified since 1996 by “Bureau Veritas Qualification”).
